## Highlights

### 80% energy saving

80% energy saving, compared to traditional light sources

### Designed for outdoor use

Designed for outdoor use - water resistant IP44

### Long lasting high-power

Long lasting high-power LED technology

### Extremely long life

A light source you can trust. Philips LED lights offer an extremely long-life of at least 20,000 hours (which equals 20 years on basis of an average use of 3 hours / day with an amount of at least of 13,000 on/off switching cycles). It feels so comfortable to think that you won't have to worry about maintenance or lamp replacement while having the perfect light ambience in your home.
