# Highlights

## Energy efficient, long lasting

Built-in Philips conventional ballast

## Extremely long life

A light source you can trust. Philips LED lights offer an extremely long-life of at least 20,000 hours (which equals 20 years on basis of an average use of 3 hours / day with an amount of at least of 13,000 on/off switching cycles). It feels so comfortable to think that you won't have to worry about maintenance or lamp replacement while having the perfect light ambiance in your home.

## Easy to maintain

Smooth surface finish for easy cleaning

## Color changing mood light

Color changing mood light
