

Philips Ledino
Table lamp

Ledino

69091/30/76

Giving light a new experience

This minimalist long-neck table lamp features a light that appears to float magically in the air. Designed from the purest of forms, a flat disc of LED light is suspended on top of a slender, flexible neck that arcs down to a slim base.

Elegant design meets innovative technology

- High Power LED
- High light quality with strong light output
- On/off switch on article
- The perfect beam angle for spot lighting (40°)
- Cool white light effect

Sustainable light solutions

- Extremely long operating life
- Saves up to 80% energy

PHILIPS
sense and simplicity

Highlights

Extremely long operating life

A light source you can trust. Philips LED lights offer an extremely long-life of at least 20.000 hours (which equals 20 years on basis of an average use of 3 hours / day with an amount of at least of 13.000 on/off switching cycles). With the Philips LED lights you won't have to worry about maintenance or lamp replacement while having the perfect light ambiance in your home.

High light quality

A LED lighting module of 7.5W produces the equivalent light output as an 40W incandescent lamp (350 Lumen). Save energy with strong light output.

High Power LED

The LED module of this lamp is a uniquely developed solution by Philips combining 3

LEDs in a synthetic and aluminium housing. This technique enables an optimal light output and a 100% uniform light colour.

On/off switch on article

With the button discreetly integrated to the article, you can easily switch the light on and off.

Saves up to 80% energy

The LED lighting technology used in Philips lighting fixtures is highly energy-efficient (7.5 W module produces 350 Lumen). As a result, every lighting fixture conserves energy, helping consumers to save money on their electricity bills and contribute to preserving the environment. For home lighting that's energy-efficient and provides great light in a

range of contemporary designs, look for Philips LED products.

The perfect beam angle

The perfect beam angle for spot lighting (40°)

Cool white light effect

Light up your home with cool white light effects thanks to the latest LED innovation. Philips introduces the latest generation of cool white light high power LEDs, reaching a color temperature of 4000 Kelvin. This innovation brings our luminaires to the next level, allowing you to combine elegance and ambience creation with light and energy efficiency.

Specifications

Design and finishing

- Material: aluminium
- Color: black

Product dimensions & weight

- Height: 49.5 cm
- Length: 20 cm
- Width: 48.7 cm
- Net weight: 2.440 kg

Technical specifications

- Mains power: Range 220 V - 240 V, 50-60 Hz
- Bulb technology: PowerLED, 240 V
- Number of bulbs: 1
- Wattage bulb included: 7.5 W
- Maximum wattage replacement bulb: 7.5 W
- Light color: 4000K cool white
- Lamp lifetime up to: 20,000 hrs

- Beam angle: 40°
- IP code: IP20, protection against objects bigger than 12.5 mm, no protection against water
- Class of protection: II - double insulated

Service

- Warranty: 2 year(s)

Packaging dimensions & weight

- Height: 72.9 cm
- Length: 26.7 cm
- Width: 21.1 cm
- Weight: 2.980 kg

Miscellaneous

- Especially designed for: Home office & Study
- Style: Modern
- Type: Table lamp

Issue date 2013-01-31

Version: 1.0.1

12 NC: 9150 022 83904
