DESCRIPTION

The LEDlux Sirius lights come 11.7W Sharp COB LED with warm white 3000k lighting and 72 degree beam spread making it ideal for use as bedside reading, in kitchens, lounge rooms and to highlight that special feature in your home. The round spots have a 350 degree rotation plus a 120 degree vertical swivel which will encompass most angles. This fitting has an industrial chic look with an elegant twist. Classic understated design, will easily make a bold statement in a modern home or blend with a more contemporary decor . This light is made from die cast aluminium and steel. Product specifications are from the latest shipment of these products as LED production is constantly improving. Current stock may have different specifications to what is stated on the website.
