- Average life (at 2.7 hrs/day): 6 year(s)
- Lifetime of lamp: 6000 hour(s)

### Bulb dimensions

- Height: 169 mm
- Width: 111 mm

### Bulb characteristics

- Shape: Globe
- Cap/fitting: E27
- Voltage: 220-240 V
- Dimmable: No

8710163390390

## Highlights

### Energy efficient

All Philips energy savers save energy from the moment you turn the switch. During their lifetime they use fewer kW and thus also result in a lower energy bill. The level of energy saving differs per lamp type and technology.

### Carbon footprint

Energy savers reduce the amount of energy in your home, which not only results in a lower energy bill, but also in less carbon (CO<sub>2</sub>) output by your energy supplier. Together we make this a better world to live in.

### Reliable quality

Philips keeps its promises about lamp performance. You can trust what the Philips packaging is saying about light output, lifetime and wattage equivalent to incandescent lamps.
