Operation

Let's Start

Installation Lamps / Luminaires

INGENIUM® BLU LED lamp / luminaire has an integrated Bluetooth® module so you can simply remove the existing lamp or luminaire and install the INGENIUM® BLU LED lamp / luminaire, no additional device or wiring is needed.

To control your INGENIUM® BLU LED lamps / luminaires.

you have to first pair them to your smart device. Please

refer to the "Automatic Pairing" chapter for details.

Note: INGENIUM® BLU LED lamps / luminaires operate in

220V to 240V. The operating temperature of these products is -30°C to +40°C. Make sure INGENIUM® BLU LED lamps / luminaires are not installed in dimming circuitry to avoid malfunction.

App Download the INGENIUM® BLU app to your smart device

https://itunes.apple.com/ https://plav.google.com/ hk/app/INGENIUMBLU/ store/apps/details?id=cc. id900416627?mt=8 megaman.led

Supported Devices iOS Devices (Recommended iOS version 6.0 or above)

Phone 4S or later iPad (3rd generation or later) iPod Touch (5th generation) iPad Mini (all generations)

Android Devices

(Recommended Android version 4.3 or above) Samsung Galaxy S4 Nexus 7 (2013) Note: These are verified models which can perfectly work with the App but not limited to them.

In order to control your INGENIUM® BLU LED lamps / luminaires, you first have to pair them to your smart device. Please follow the following steps for the automatic pairing.

- · Restart the lamp / luminaire (switch off and then switch on)
- · Open the INGENIUM® BLU app within 30 seconds · Press "START" button on the welcome page of the INGENIUM® BLU app, you may notice that the Bluetooth® symbol on of your device will fast flash. which means the app is trying to connect with the INGENIUM® BLU LED lamp / luminaire within covered area
- Tap on the Bluetooth® icon R next to the lamp / luminaire in "All Lamps" list
- · Each lamp / luminaire has a unique code (i.e.: Bulb 06d4). It is a default name of a lamp / luminaire and can be changed in the setting option Ok.
- · Pairing is needed to be done one time only for each lamp / luminaire.
