Imaginative Lighting

**PHILIPS**

**DISNEY**

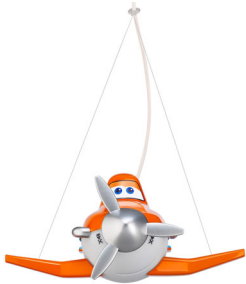

# Highlights

## For kids

This Philips and Disney light for your child's bedroom creates an environment which encourages children to indulge in what they enjoy most – fun and creativity! A place where your child can study, play and sleep accompanied by their favourite Disney character. This light is designed to be safe for your child.

## Imaginative 3D Shape

Thanks to the imaginative 3D shape, the light will spark your kid's imagination as it brightens up the room.

## Ideal for general illumination

This Philips and Disney light for your child's bedroom is the perfect centrepiece to create a pool of light. It provides the ideal light setting for your child's daily routines.

## High quality LED light

The LED technology, integrated into this light, is a uniquely developed solution by Philips. While instantly turned on, it enables optimal light output and brings out vivid colours in your kid's room.

## Warm white light

Light can have different colour temperatures, indicated in units called Kelvin (K). Lights with

a low Kelvin value produce a warm, more cosy light, while those with a higher Kelvin value produce a cool, more energising light. This light offers warm white light for a cosy atmosphere.

## Adjustable height

This pendant is delivered with long cables to offer you maximum flexibility during installation. Choose the perfect height to match your needs.

## Adjustable angle

The angle of this pendant can be easily adjusted to give a personal touch.
