Bright cool white light

High power LED source

Extremely long life

A light source you can trust. Philips LED lights offer an extremely long-life of at least 20,000 hours (which equals 20 years on basis of an average use of 3 hours / day with an amount of at least of 13,000 on/off switching cycles). It feels so comfortable to think that you won't have to worry about maintenance or lamp replacement while having the perfect light ambiance in your home.

Dimmable(remote control)

Adjust the light intensity with a remote control (included). Ideal for creating an ambience for any occasion, whether a cosy meal *à deux* or chilling out with family and friends in your living room.

Adjustable slide modules

This light fixture comes with independent slide modules that can be moved and customize to your preference. Be it to the shape of your room or to your dining table, you can distribute the light as your requirement.
