PHILIPS

Highlights

Integrated LED light source

A light source you can trust. With integrated LED light source, you won't have to worry about maintenance or lamp replacement while having the perfect light ambiance in your home.

Even light distribution

Even light distribution

High light output

High quality light with strong light output. The light shines in a beam angle of 40° - the perfect angle for spot lighting.

Extremely long life

Extreme long-life with reliable performance. Philips SmartSpot lighting fixtures are based on high power LED lights that last up to 20.000 Hours, while providing their best light output.

80% energy saving

Up to 80% energy saving compared to standard incandescent light sources.

Easy to maintain

Smooth surface finish for easy cleaning
