- Control your lights, your way

Easy, reliable and future proof system

- Connect up to 50 Philips Hue lights

PHILIPS

Highlights

Shape, bend and extend

The Hue Lightstrip Plus 1-meter extension can easily be connected to a Hue Lightstrip Plus. You can shape it in nearly any form and use the tape on the back to attach it to virtually any solid surface. If needed, you can cut the strip to size on the scissor markings. Integrate Lightstrip Plus into furniture, under kitchen cabinets or highlight architectural features with smooth, indirect light. Hue Lightstrips Plus is the most versatile and robust light source that will bring your room to life.

High light output: 1600 lumen

With a high output of 1600 lumen and great light coverage over its total length, Hue Lightstrip Plus gives enough light to be used both as a decorative and functional light source.

Paint with light

Play with light and choose from 16 million colors in the Hue app to match the light to your mood. Philips Hue Lightstrip Plus gives you full color consistency from the first to the last extension. Use a favorite photo and re-live that special moment with splashes of light. Save your favorite light settings and recall them whenever you want with the tap of a finger.

Sync light to music and movies

Extend your TV viewing experience to the whole room or lift your gaming experience to the next level. Download a third party app and discover the amazing things you can do with Philips Hue. Or sync light to your favorite music and enjoy every beat to the fullest. Turn any room into a dance floor and see how light reacts to your music. Download one of the

third party apps and get the party started with Philips Hue.

Create your ambience

Set the right ambience for any moment with a range of beautiful, natural white light. Use the app to set any shade of white light, from cool energizing daylight to relaxing warm white light. Take control and set the ambience. Not too bright. Not too dark. Just right.

Light for your well-being

Light influences our mood, behavior, alertness and routines. Through the app, you can set the light that is optimal for your moment. Philips Hue helps you to energize, concentrate, read and relax. Customize your daily routines into moments you can enjoy. Feel different. Feel better.
