

## SEIZE THE MOMENT WITH THE NEW CHAMPAGNE TABLE

Inspired by the delicate stem of a Champagne flute, this simple yet stylish table stand has been designed as an elegant accent for any desk, console table or bedside table. The stand has a hidden, integral USB-port so you can charge your phone or tablet, even when the light is turned off.

The lightweight yet sturdy stand has a classic pull-switch, adding a traditional detail to its clean, contemporary shape. Available in white, black or brushed brass, the Champagne table can be paired with a large variety of our UIMAGE lampshades.

We take the story of Scandinavian design further than ever before by combining aesthetics, simplicity and functionality and infusing it with thoughtful craftsmanship and environmental care. Our designs are deeply rooted in the diverse urban landscape and raw nature surrounding our home in the heart of Copenhagen, Denmark. Having begun our journey in 10 years ago, we are celebrating our 10th anniversary this year by constantly growing and expanding the conventions around contemporary design.
