Light effect
• Cozy light effect

Premium quality
• EyeComfort – light that's easy on the eyes
• Easy to clean

Control
• Tunable – from warm white to cool daylight
• Tunable with wall switch

PHILIPS

Highlights

Easy installation
No more hassle in installation. Just fix or hang securely on the wall or ceiling, and plug in, now this luminaire is ready to light on.

Cozy light effect
Create a warm, comforting environment to wind down and relax in.

Eyecomfort
Poor quality light can cause eye strain. With many of us spending time indoors, it's more important than ever to properly light your home. Our products meet stringent test criteria including flicker, strobe, glare, color rendition and dimming effects to ensure they
meet EyeComfort requirements. Philips LED bulbs not only deliver comfortable light, but also stay that way for the duration of their lifespan, delivering consistent light quality, output, and color for more than a decade. Switch to light that's easy on your eyes. Your eyes will thank you.

Easy to clean
Smooth and easy-to-clean materials mean your home always looks attractive from floor to ceiling.

Tunable – from warm white to cool daylight
Tunable lighting lets you change the color of light to match your mood or activity. Warm white is ideal for relaxation, cool daylight for invigorating focus.

Tunable with wall switch
An easy-to-use wall switch allows you to shift between different light colors.

Specifications

Design and finishing
• Color: white
• Material: metal/plastic

Extra feature/accessory incl.
• Remote control included: No
